## **ARTIS—NAPLES TO HOST JOB FAIR SEPTEMBER 17**

**Naples, FL (September 9, 2021)** – Artis—Naples, one of Southwest Florida’s largest employers, is hosting a job fair to recruit energetic team members for a variety of positions across several departments. The job fair will take place from 2pm to 6pm on Friday, September 17 in the Hayes Hall lobby.

“As our 2021-22 season commences, we are delighted to be hiring across a range of departments for positions on our outstanding administrative team,” said CEO and President Kathleen van Bergen. “We view our job fair as a very effective way to identify potential candidates and also make them aware of various roles at Artis—Naples, the premier destination for the visual and performing arts in Southwest Florida.”

Among the positions to explore at the job fair are bartenders, event services team members, patron services representatives, museum store associates, safety and security officers, ushers, housekeepers and more.

Artis—Naples representatives will be available to answer questions about the organization, open positions and job responsibilities.

Interested candidates can register in advance by completing the online application for the position in which they are interested: <https://artisnaples.agilehr.com/careers/> and bringing up-to-date copies of their resumes to the job fair. If not registered in advance, candidates should bring up-to-date copies of their resumes to the event. Artis—Naples is located at 5833 Pelican Bay Boulevard in Naples.

Artis—Naples has over 300 full-time, part-time and seasonal employees. Background checks and preemployment drug testing are required. Additionally, employees are required to obtain and provide proof of COVID-19 vaccination.

### **Safety Protocols**

Given the prevalence of the COVID-19 Delta variant in our community, we strongly encourage all visitors to wear masks. If you are unvaccinated, masks are required. All performances in Hayes Hall and Daniels Pavilion and exhibitions in The Baker Museum are presented with unrestricted audience capacity. Artis—Naples’ policies and protocols will continue to be reviewed regularly in order to remain in accordance with current federal, state and local government and department of health guidelines.

To improve the safety of our patrons, team members, artists and musicians, Artis—Naples has made the following safety upgrades to our cultural campus:

Installation of a needlepoint bipolar ionization (NPBI) systems on 29 HVAC air handling units. This patented technology purifies indoor air by eliminating airborne particulates and pathogens in conjunction with increased filtration on the filters.

Treatment of 55,000 square feet of surfaces around the cultural campus with the antimicrobial coating system MicroShield 360, including restrooms, door handles and patron seating. MicroShield 360 is an EPA registered and FDA approved antimicrobial technology used to create a coating on surfaces that neutralizes bacteria and viruses.

Purchase of one large and six hand-held air-assisted misting machines used to sanitize spaces including Hayes Hall and Daniels Pavilion between performances.

### **KIMBERLY K. QUERREY and LOUIS A. SIMPSON CULTURAL CAMPUS**

Led by CEO and President Kathleen van Bergen and Sharon and Timothy Ubben Music Director Andrey Boreyko, we offer audiences more than 800 paid and free events annually within a variety of venues and settings situated throughout the 8.5-acre Kimberly K. In the 2014-15 season, Andrey Boreyko assumed the title of music director and serves in this capacity for Artis—Naples. Boreyko is internationally recognized as one of the most exciting and dynamic conductors working today. This appointment, which concludes in 2022, is his first American post.

*The Wall Street Journal* says van Bergen and Boreyko have ushered in “an impressive new phase” for classical music in Southwest Florida.

The Baker Museum is one of the foremost fine art museums in Southwest Florida. The museum hosts several traveling exhibitions annually to complement installations of works from its permanent collection. Comprising more than 4,000 objects, the museum’s broad holdings of 20th- and 21st-century art reflect the generosity and commitment of area collectors. Of particular strength are The Baker Museum’s collections of American and Mexican modern art and significant gifts from the personal collection of Olga Hirshhorn.

With more than two decades of collecting and exhibiting, the museum is dedicated to stewardship and scholarship from both its growing permanent collection and outside sources.

At the same time, The Baker Museum seeks out the best traveling exhibitions from the leading arts institutions in the world—including recently the Crystal Bridges Museum of American Art and the Smithsonian Institutions—to enrich the Southwest Florida community.

In fall 2020, Artis—Naples celebrated the opening of an 18,000-square-foot expansion of The Baker Museum building, designed by Weiss/Manfredi Architecture/Landscape/Urbanism, that created new spaces for multidisciplinary exploration and social interaction.
