**Who We Are**

Tusk is the number one tribute to Fleetwood Mac in the world, bar none. No fancy tricks, no gimmicks—just five musicians recreating the music of Fleetwood Mac to perfection with note-for-note renditions that no other Fleetwood Mac tribute band on the touring scene can come close to duplicating.

Tusk covers all the great hits of Fleetwood Mac, which has featured the talents of Mick Fleetwood, Christine and John McVie, Lindsey Buckingham, Stevie Nicks and others over the years. The five seasoned and well-respected musicians of Tusk have been making music together—in various combinations, styles and cover bands—for over 25 years. It seemed only fitting that they should come together to form the ultimate Fleetwood Mac Tribute and pay homage to a group that dominated the charts during the band members’ formative years. Authentic-sounding and always respectful, Tusk leaves no stone unturned in replicating the sounds of one of the world’s best-loved, top-selling bands.
Kathy Phillips doesn’t simply play the role of Fleetwood Mac front woman Stevie Nicks—she is Stevie Nicks. An amazing New Jersey singer-songwriter, Phillips captures the essence of Nicks in every way—her voice, demeanor, clothing, stage presence and more. A professional musician for over 20 years, Phillips has been known for her incredible, original music as well as her uncanny vocalization and Stevie Nicks look. Phillips fills the shoes of Nicks with ease, leaving audiences genuinely mesmerized.

Kim Williams, vocalist and multi-instrumentalist, has spent decades honing her craft, deftly switching from rhythm section to solid lead player without missing a beat. Hearing and replicating tight vocal harmonies, a hallmark of the Fleetwood Mac sound, is no problem for this choral music enthusiast. Classically trained on piano and voice, a huge fan of ’70s classic and southern rock, and raised on Willie, Waylon, Dolly, George and the Great American Songbook, Williams uses all of her influences, years of training and natural instincts to bring the music of Christine McVie and Fleetwood Mac to appreciative audiences all around the country.

Scott McDonald, guitarist and vocalist, has been performing for over 30 years. One of his earliest influences was Lindsey Buckingham’s amazing style of singing and rhythmic guitar playing. Having worked with the members of Tusk over the years in various other projects, his cohesion with the players evolved and strengthened to where they are today. McDonald is passionately committed to giving his best performance possible every time he and the band recreate the incredible music of Fleetwood Mac live.
Tom Nelson is a well-seasoned drummer, to say the least, and is responsible for filling the enormous shoes of the great Mick Fleetwood. A music teacher and longtime drummer with more than 20 years of experience, Nelson is the guy who gets the job done. His fills are seamless as he recreates the hits of Fleetwood Mac and more. Guaranteed to provide you with a drum solo you won’t forget, Nelson hits the beats of Fleetwood on all cylinders.

Randy Artiglere brings 30 years of bass playing experience in many styles of music to Tusk. With his attention to detail, he meticulously replicates the style and tone of Fleetwood Mac’s bass player, John McVie. Artiglere tosses in some of his own style and flare, giving Tusk’s bottom end the authentic Fleetwood Mac sound with an energy that gets audiences grooving, whether they are Fleetwood Mac fans or not.
